Please remember that part of your duty as an elder is to help other leaders measure the life of the congregation. Your communication is essential to helping the whole session do this.

Do you have any major items or events in the next 90 days?

Sharing information. What in your area do Session members need to know. Please be sure to share any good news or ways you have seen Christ at work in the congregation.

Asking for input What in your area would benefit from input from the rest of the Session. This is often something you are developing. It may simply be a challenge you are unsure on how to handle or an opportunity you want to maximize.

Putting a decision in front of the Session What would you like the Session to implement or act upon?
